

Laxminarayan Institute of Technology, Nagpur

Important instructions for the students for admissions to Second, Third and Final Year B. Tech

All the students except the students of final Semester /Year of the University who were admitted in various programmes/courses (professional as well as non-professional) in all the four faculties of the University, whether as a regular student, ex-student, shall be eligible for admission to the higher semester of his/her programme/course irrespective of the result of the semester which he/she last attended. The benefit of this rule shall also be available to all those students who not being eligible for admission in any year/semester of the programme/course due to A.T.K.T. rules applicable to his /her programme/course or otherwise had not taken admission in any year/semester of the programme/course.

Illustrations:-

- i. A student who was admitted in the B.Sc. programme in the academic year 2019-20 could not appear for the summer 2020 examination due to declaration of the lockdown. Notwithstanding anything to the contrary in the rules of A.T.K.T. regarding admission in the third semester of the programme the student will be eligible for admission in the third semester of the programme/course in the academic year 2020-21 on the usual terms of the admission like payment of fees.
- ii. A student who was not eligible for admission to 7th Semester of the B.E. programme/course due to some backlog of the third and fourth semesters will also be eligible for admission in the 7th Semester in the academic year 2020-21.
