

Laxminarayan Institute of Technology  
Rashtrasant Tukadoji Maharaj Nagpur University  
Amravati Road, Nagpur – 440 033  
SESSIONAL TIME TABLE (Odd Sem) 2020– 21

Time - 11:00 am - 12:00 noon

| Semester       | Date       | Chemical Engineering        | Chemical Technology           |
|----------------|------------|-----------------------------|-------------------------------|
| <b>Third</b>   | 22/01/2021 | Applied Physical Chemistry  | Chemical Process Calculations |
|                | 23/01/2021 | Plant Utilities             | Electronics & Instr.          |
|                | 25/01/2021 | Engineering Mathematics-III | Organic Process Technology    |
|                | 27/01/2021 | Num. Method & Comp. Prog.   | Special Technology-I          |
|                | 28/01/2021 | Strength of Material        | Engineering Mathematics-III   |
| <b>Fifth</b>   | 22/01/2021 | Fluid Mechanics             | Special Technology-III        |
|                | 23/01/2021 | Chemical Engg. Thermo.      | Fluid Flow Operation          |
|                | 25/01/2021 | Mass Transfer               | Solid Fluid Operation         |
|                | 27/01/2021 | Heat Transfer               | Process Plant Utilities       |
|                | 28/01/2021 | Biochemical Engineering     | Chemical Equipment Design     |
| <b>Seventh</b> | 22/01/2021 | Transport Phenomena         | Chemical Reaction Engg.       |
|                | 23/01/2021 | Elective-II                 | Special Technology-V          |
|                | 25/01/2021 | Process Control & Instr.    | Special Technology-VI         |
|                | 27/01/2021 | Chemical Reactor Design     | Mass Transfer Operation       |

Note:

- On-line sessional exam will be conducted on all six units on Moodle.
- All MCQs will be compulsory.
